A LETTER FROM LOIS WORBOYS...

I want to thank the Pastors, Circles and most of all you, my brothers and sisters in Christ. You have helped me in the most difficult time of my life. Your prayers, phone calls and cards have been my life vest. I will carry them when I leave.

I received a plaque from the Hannah Circle which reads "It is often the bend in the road that makes life worth the drive." My road had many bends in it but it was worth the drive. Your prayers were there for Charlie and he loved this church, his Lord and all of you. I believe this is the road God wants me to take and Charlie would want me to be with our kids.

I shall miss you all but you will be in my prayers and in my heart. God bless you.

Love Lois

(Lois Worboys moved back to Rochester, NY where she and Charlie previously lived and raised their children. Charlie is also buried there. What a blessing they and their family were during their time at First Christian Church)
